

Activity Plan 5-year-old day 1 week 2

Theme: JAMAICA LAND WE LOVE

Sub-Theme: The Beauty of Our Land

Objectives: At the end of this activity, your child should be able to: -

- 1. Listen and dance to the song "Sweet, Sweet Jamaica, nah lef yah"**
- 2. Name at least three things that make Jamaica beautiful.**
- 3. Identify Jamaica on the world map.**
- 4. Tell what cause us to feel hot/cold.**

Resources/Materials: video link: (song: "Sweet, Sweet Jamaica, nah lef yah"), picture of the world map, random objects, clippings from magazines/ newspaper, book, pencil, crayons.

Activities:

- 1. Your child to listen and dance to the song 'Sweet, Sweet Jamaica, nah lef yah.'**
- 2. Ask your child to identify three things from the song that make Jamaica beautiful. (e.g. food, music, weather, people etc.)**
- 3. Show your child a picture of the world map (see link/picture below). Guide him/her to find Jamaica's location, (noting that Jamaica is hot because of where it is located).**
- 4. Your child to choose or pick up a random object from inside the house. Let him/her feel the temperature of the object (let him/her tell you how it feels). Assist him/her by going outside and place the object in the sun for a few minutes. Retrieve the object and ask your child to.**
 - say in a simple sentence how the object feels**
 - let him/her explain why the object became hot when it was taken outside.**

Follow-up Activities

- Assist your child to create a collage with pictures of different things that make Jamaica beautiful. (use magazine and or newspaper clippings)
- Draw and colour a picture of the sun and write a simple sentence about it. (e.g. The sun shines all year in Jamaica.)
