Jamaica Land So Beautiful

Poem by Jason Callender

It's the natural beauty of the island
something I understand
go to Blue Mountain
come you will feel the passion
of this land
go to Hellshire beach
and be at peace
drive along the coast

you will fall in love for sure
Jamaica will make you want more
go horseback riding in the hills
turn on the thrills
rafting at animal farm in Montego Bay
is the real getaway
Jamaica makes you want to stay
sunsets in Negril
where should I begin
is it the jerk chicken?
or our standard of living
if you are not a believer
come rafting along Copse River
